The H-LIFT wire rope pulling hoist is an extremely versatile and portable unit for pulling, lifting, lowering and securing loads, that is both easy and safe to operate. It comes in 3 sizes with capacities of 1600kg, 3200kg and 5400kg.

- All hoists are supplied complete with 20 meters wire rope and an extendable operating lever.
- Wire rope is tapered one end and fitted with a hook and safety catch at the other end.
- The hoist has low maintenance requirements and is easy to service.
- Overload protection ensures high personal safety when in operation.
- Specially built-in-shear pins can be replaced without removing the load.
- Please note this is a guide only. Size may vary according to the style.
